

**Southern Lakes Homeowners Association  
Meeting of the Blockwatch volunteers  
February 5, 2006**

Michelle Donnay of Alison Way took one of the 'Safe House' signs, however, Michelle has recently sold her home and we will need to locate a new Safe House for this side of the neighborhood. Bernadette Vitullo has volunteered to take over and relocate the Safe House sign to her house. Her address is 10783 Amherst Way. The second Safe House sign on the other side of the neighborhood is located at Robin Ebner's house at 10745 Alison Way.

The outgoing mailbox to avert identity theft has not yet been placed but should be decided shortly at the 2nd quarter board meeting. If you or your neighbors have suggestions for the mailbox, please contact Kathy Sijan or a board member.

Reminders from Officer Danberg:

- Keep garage doors closed as much as possible, even when you are home.
- It has also been indicated that mail/identity theft has become a wide spread problem in the cities of Inver Grove Heights, Eagan and South St. Paul.
- The city of IGH has overnight parking restrictions during the winter months [Nov 1st thru April 1st, 3 a.m. to 6 a.m.] for snow removal.
- National Night Out, the 1st Tuesday in August, will also coincide with a Southern Lakes Homeowners meeting in the Park.

Respectfully Submitted,

Kathy Sijan
