

BLOCKWATCH Meeting 5-19-07 Minutes

Meeting was held in the park. BW Officer Engstrom attended.

Officer Engstrom stated there are very problems in our neighborhood, very quiet. Typical issues are low key, such as: neighbor's dog is barking or alarms going off that are false alarms. Also, alarm systems much be registered with the City of Inver Grove Heights. The first 3 false alarms to your home are free, after that you will be billed.

Because of the mail theft a while back, officers reiterated to remove drivers license numbers and social security numbers from your checks.

There are free residents checks when you are vacation. Call the general # 651-450-2525.

Some residents stopped and asked per individual questions regarding driving rules, passing on Cliff Road and speed in the neighborhood.

We will meet once more before National Nite Out, possibly with SL Board members to go over NNO Festivities and coordinate efforts.

Reminders:

-Call non emergency number for questions - 651-437-4211

-Keep garage doors closed as much as possible, even when you are home.

-National Night Out, Tuesday, August 7th, 2007 will also coincide with a Southern Lakes Homeowners meeting in the Park.
